# Black History Month

## FEBRUARY

### Black History Facts You May Not Know...

1. Black History Month started in 1926. The observance was proposed by Carter Godwin Woodson, an author and historian, as Negro History Week. It expanded in the 1970s.
2. The National Association for the Advancement of Colored People was founded in 1909. It's now considered "the nation's oldest, largest and most widely recognized grassroots-based civil-rights organization," according to its website.
3. The U.S. isn't the only country to celebrate Black History Month. Canada also observes it in February, while the U.K. recognizes it in October.
