10 AM WORSHIP SERVICE

IMPORTANT UPDATE

We are pleased to announce that effective Sunday, September 18, 2022, registration for in-person worship service is no longer required. We are grateful for the opportunity to move to the next phase of our in-person worship experience and we are truly thankful to God for the progress that has been made in treating Covid-19.

During this phase, we are continuing to follow the lead of the Holy Spirit as we make decisions to continue to preserve the health and well-being of our church family – ever mindful that we are continuing to be impacted by the potential spread of the virus. Therefore, temperature checks, masks, and social distancing will continue to be part of our worship protocol. Additionally, there will be:

- No in-person auxiliary meetings
- No food services in Fellowship Hall
- No in-person Sunday School or Wednesday Night Service
