### FAITH BUILDERS: Restoration Word Ahead

Theme Verse: "They said, Let us rise up and build. So, they strengthened their hands for this good work." (Nehemiah 2:18b, KJV)

*Motto: Rise Up and Build!*

God uses ordinary men and women to restore hope following natural disasters, such as pandemic, a tornado, a hurricane, etc., where many have experienced a great deal of pain and loss. So, grab your tools and buckle your toolbelt to embark on the restoration work ahead.
